

Compodium Quality and Environmental Policy

The goal of Compodium International AB is to be recognised as a secure provider of trusted digital conversations. Compodium International AB aims to minimise the environmental impact of activities to deliver trusted digital conversations as cloud services and on-premise solutions.

This will be achieved through:

- Consideration of context of the organisation and aligning the Integrated Management System with the strategic direction of Compodium International AB.
- Meeting customer and applicable statutory and regulatory requirements to increase customer satisfaction and prevent pollution to protect the environment.
- Establishing, applying, maintaining and continual improvement of effectiveness of Integrated Management System based on ISO 9001:2015 and ISO 14001:2015.
- Reduce the greenhouse gas emissions.

The framework for setting quality objectives is defined in the IMS Manual.

The Head of QA is responsible for communicating the Quality Policy to all persons working for or on behalf of the organisation and making it available to the public.
